NEWSLETTER Friday 20th January 2023

NEWS THIS WEEK

Croeso, welcome to this week's Newsletter. Remember to follow your child's learning journey on our school's Twitter feed @BarryPSIsland.

The teaching team have been so impressed by the children's attitudes to their learning and it is great to see such a variety of skills developing across the school. On Wednesday the team also conducted a learning walk, visiting all classrooms and outdoor learning areas. There was an abundance of children's hard work and achievements proudly on display and it was wonderful to see the progression our learners are making.

November 2022 Poppy Appeal

Huge thank to all the kind donations you made during the appeal week again this year. We are delighted to say that with your support we managed to raise a total of over £200 for the charity! A fantastic effort and very much appreciated by the Poppy Appeal organisers.

Spring Term Extra Curricular Clubs Start Monday!

Details of your child's allocated club(s) have been sent home today. Please note that the children will be ready to be collected at approximately 4:10pm after their club and can only walk home if you have provided written consent on the form you returned.

Diolch.

ECO COMMITTEE

This month's reminder is to try and recycle as much as you can at home! We are trying to increase what we recycle at school and would like to raise awareness of recycling in our community.

If you would like some information on the Vale's recycling capacity regarding items of waste, please click on the link below. Let's go for it!
