HEALTHY SCHOOLS - HEALTHY SNACKS!

Please try to ensure that children have a balanced, healthy snack at breaktimes, and a healthy lunchbox. As a polite reminder, it is our 'Healthy Schools' policy that children should try to avoid bringing chocolate, crisps, biscuits and fizzy drinks to school. Fruit, vegetables and other healthier snack options are recommended. If you need some great ideas for a healthier snack or lunchbox, follow the link below.

Dosbarth Derw's 'Magical Reporter' News....

Bore Da all, let's find out what's been happening this week in BIPS.

Year 1 were learning about 'Firefighters'. They were so lucky to have real life Firefighters come into their classroom to talk about the dangers of fire and how to stay safe. Year 2 were learning about two- and three-digit numbers and practicing Big maths strategies. Year 3 were painting Historic Castles in the style of William Turner and Year 4 have been exploring timbre, beat and pitch in different kinds of music. Year 5 have been using thinking frames to compare and contrast Earth and Mars. Finally, Year 6 were learning about different religious festivals and also making some incredible bird boxes as part of their new DT Project. That's all for now, watch this space for more exciting tales of learning next week... 😊 Diolch, George & Eleanor.

OUR LEARNERS' SKILL OF THE FORTNIGHT!

TEAM A4H - ACTION FOR HAPPINESS

A reminder that our focus month is on 'Exercise'. It is extremely important to body and mind to take some form of exercise on a regular basis. Maybe we could all start with something simple like trying to improve our daily steps count? It doesn't have to be anything too onerous, every little helps! Let's really go for it, get fitter, and feel healthier and happier. 😊

'Excite, Motivate & Innovate - Learning Together'
